

Maxime Heuse

 Civil Engineering

Applied Mathematics
Options : Finance & System control

PERSONAL INFO

BIRTH DATE
30 Dec 2001

NATIONALITY
Belgian

UNIVERSITY
MA1 - UCL

About me

Passionated about engineering, finance and entrepreneurship, I always seek to combine learning, experience and networking in every challenge I get in.

This summer, I want to discover internships from end of June to mid/end September in finance and take my first steps in banks sector.

People see me as a reliable colleague or as a friendly football mate ready for a freekick session.

EDUCATION

2025 ● EPL - UCLouvain
Engineering Master (expected date)

2024 ● EPL - UCLouvain
Engineering Bachelor

2019 ● Lycée Martin V*
CESS - Science & Mathematics
